# **The Lost World**

By Sir Arthur Conan Doyle

**Adapted by Dr Vicki Ooi**

What would you do for love? Would you journey into the far distant past to a land long forgotten in a dangerous quest to find dinosaurs and other prehistoric animals?

The Christmas, leave the comforts of your home to explore The Lost World as envisioned by Sir Arthur Conan Doyle. Join young Ed Malone, a reporter looking to prove his mettle to his lady love, who agrees to go on an epic adventure with the reclusive and mad Professor Challenger, a man who claims to have found an unknown world frozen in prehistoric times in South America. Along with Professor Summerless, a scientist and Lord John Roxton, an experienced explorer, the quartet set out to prove (and disprove!) to the disbelieving scientific community that this Lost World actually exists. There they discover not only dinosaurs but ancient humans and engage in battle with wild ape-men too!

Prehistory comes to life in Hong Kong – sign up today for an old-time adventure this holiday season.
